Address:

Ask To See And/or Test Ride!, College Cultural Neighborhood, I

Price:

4300.00 \$

Perfect condition. Well taken care of and stored. About 3100 miles total on the bike (almost new). KBB price for "good" condition is about \$4650 to save you some time in comparison shopping. Just looking to make space for more things and I barely ride it! Will throw in a front shield for the bike and a helmet of choice (depends on size).
